Title: Dog Bite Prevention

Learning Objective(s):

- *Children will learn how to approach a dog they do not know.
- *Children will learn how to respond when a dog they don't know approaches them.
- *Children will learn the right and wrong way to treat a family dog.

Topical Outline of Content (Not to exceed 30 minutes for Health Promotions)	Resources Used
<p>Discussion:</p> <ul style="list-style-type: none"> -Who has a pet dog at home? -Do you know the correct way to approach a dog you do not know? -Who has been approached by a dog they didn't know and it was scary? <p>Videos:</p> <ul style="list-style-type: none"> -Be SAFE around Strange Dogs. -Be SAFE around dogs you know. <p>Discussion:</p> <ul style="list-style-type: none"> -Discuss the tips in the videos. -Have pictures of how to and not to approach a dog you do not know. Explain each picture to the children on how to be safe. -Have pictures of how to and not to treat your family dog. Explain each picture to the children. 	<p>https://www.gooddoginabox.com/safe-dog-bite-prevention-program/</p>

Method(s) of Outcome Evaluation: Children will verbalize understanding on how to stay safe around dogs they do and do not know.

Children's Health Promotions are developed utilizing best practice references such as the "Kansas and Missouri Core Competencies for Early Childhood and Youth Professionals" (Content Area V: Health and Safety), and the National Health and Safety Performance Standards, "Caring for Our Children." Consultants developing new lessons for children's health promotions should use this template and submit to the CCHC Program Manager for approval. Health Promotion Lesson Plans already approved by the CCHC Program Manager are approved for use by any contracting LPHA. Approved lesson plans are reviewed by the CCHC Program Manager at a minimum of every three years, and are therefore considered approved if in circulation until otherwise instructed by the CCHC Program Manager.
